FROM:
<i>Ms. Melinda Hardman, AOC Court Services Division</i>
SUMMARY:
Ms. Melinda Hardman has staffed the Rule 123 Advisory Committee from its inception. The committee feels that appropriate guidance needs to be provided to enact the changes being proposed in the latest revision to Rule 123, especially in the areas of remote access to case records, establishing fees for access, dealing with bulk records, and using a provider for creating specialized reports. Drafts of two proposed code sections were made available for members' review. Melinda is requesting that COT approve the content of the sections.
STAFF RECOMMENDATION:
Staff recommends that a set of more detailed requirements be communicated to courts but has no opinion regarding the specifics of the content of the proposed code sections. AJC requires proposed code sections to be reviewed and commented upon by all subcommittees prior to adoption.
ACTION OPTIONS:
<ol style="list-style-type: none">1. Approve the content of the proposed code sections, as recommendation by the Rule 123 Advisory Committee.2. Table the discussion concerning implementation of the Rule 123 changes until a later time.
