## Time and Location

The meeting will begin at 9:30 a.m. in Conference Room 119 of the Arizona Courts Building, 1501 W. Washington, Phoenix, AZ 85007. A buffet lunch will be provided so we can work through the lunch hour. We hope to adjourn by 3:30.

## Parking

Please note that because of construction the parking lot to the north of the AOC is no longer available for parking. You can park in the lot west of the building (the Wesley Bolin Plaza area - either side) or park in the parking lots on the northeast corners either of 15th and Adams or 13th and Adams.

## Materials Detail

Your meeting packet includes an "Agenda Item Information Sheet" for each item on the agenda. Most items include attachments, which are listed in the *Summary* section for the agenda item. Should additional handouts be provided for this meeting, they will be posted on the COT Web page. You'll receive an email alerting you to any additional materials. Hard copies will be provided at the meeting.

The CD-ROM distributed for the May meeting remains your copy of the IT Strategic plan. A new one will be provided when the final version of the plan is submitted to the Government Information Technology Agency (GITA). Copies of the county court plans which are not on the CD (Navajo and Yuma) are included in your printed packet. The full state IT Plan and all the backup to grant requests discussed at the last meeting will not be printed out for distribution. If you would like hard copy of all plans and supplementary material available at the meeting for you, please email me and I will print a copy for you. I am happy to provide them but don't want to burden you unnecessarily with paper or kill more trees than necessary.
