Meeting Date: June 20 & 21, 2002

<i>Agenda Item:</i> Systemic Thinking	<i>Type of Action Requested:</i> <input type="checkbox"/> Formal Action/Request <input checked="" type="checkbox"/> Information Only <input type="checkbox"/> Other
FROM	

Justice McGregor and Karl Heckart

SUMMARY

Systemic thinking is the top priority of the Commission on Technology. This will be a discussion lead by Justice McGregor and Karl Heckart to identify how the COT wishes to see this technology initiative applied in strategic plans, projects and other court technology initiatives.

The project priorities adopted last May, 2001 are listed below.

ACTION REQUESTED OR RECOMMENDED

Commission members will identify a set of guidelines and principles for applying this priority to court technology activity.
